COD FISHCAKE AND CHIPS

COD FISHCAKE, MINTY PEAS, YOGURT TARTARE SAUCE, 'OVEN' CHIPS. THIS IS A BAKED FISHCAKE, WITH BAKED OVEN CHIPS, JUST A HEALTHIER VERSION OF A CHIPPY DINNER! MAKES ENOUGH FOR 4.

FOR THE CHIPS:

4 large potatoes, Maris Pipers work well, washed, skin on and cut into 8 lengthways
3 tablespoon of vegetable oil

METHOD:

Boil a large pan of salted water, cook the potatoes for 8-10 minutes, drain well, toss in the vegetable oil. Place on a baking tray and cook at 200°C for 20-25 minutes, turning occasionally to get them all crispy and golden.

FOR THE YOGHURT 'TARTARE':

125ml of plain Greek yoghurt
3 tablespoons of chopped gherkins
Juice of ½ lemon

METHOD:

Just mix everything together.

TO MAKE THE FISHCAKES:

275g potatoes, preferably Maris Pipers, peeled and cut into rough 3cm chunks
400g cod, unskinned, fresh or frozen
1 bay leaf
½ lemons, finely zested
4 spring onions, trimmed and finely sliced
Vegetable oil, for spraying
1 large egg
50g fresh wholemeal breadcrumbs
Lemon wedges, to serve

METHOD:

Put the potatoes in a pan of cold water and bring to the boil. Reduce the heat slightly and simmer for 15 minutes or until the potatoes are soft but not falling apart. While the potatoes are cooking, put the fish fillets in a large saucepan, placing the thicker fillets on the bottom of the pan. Cover with cold water and add the bay leaf. Put a tight-fitting lid on the pan and gently bring to a simmer, then immediately take the pan off the heat. Leave the fish to stand for 5 minutes.

Drain the potatoes well in a colander, tip them back into the pan and mash them until smooth or pass them through a potato ricer. Put the mash in a large bowl and season with salt and black pepper.

Drain the fish well in a colander and break it into large chunks, discarding the skin and any bones as you go. Put the fish in the same bowl as the mashed potato and stir in the lemon zest and spring onions with a large wooden spoon trying not to break up the fish too much.

Divide the mixture into 4 balls and flatten each ball to about 3cm thick. If the mixture is too soft to shape into balls, cover and leave it to cool for a while. The potato will stiffen up as it cools. Lightly oil a baking tray.

Beat the egg in a shallow bowl. Mix the breadcrumbs in a large bowl. Dip a fishcake into the egg, coating it on all sides. Gently shake any excess egg off and then place it in the breadcrumbs, turning and pressing to get an even coating of crumbs. Place the fishcake on the greased tray and prepare the rest in the same way. Leave them to chill in the fridge until you're ready to cook.

To cook the fishcakes, place in the oven at 200°C for 20 minutes. Mist the fishcakes with the oil and bake them for 15-20 minutes until crisp and golden brown. Serve with chips, tartare and some lemon wedges for squeezing.

Cook the peas in boiling water for 5 to 6 minutes before adding a knob of butter and some freshly torn mint leaves.

FLORENTINE PIZZA

FLORENTINE PIZZA; SPINACH, TOMATO, MOZZARELLA, BAKED EGG. THIS IS MY VERSION OF THE CLASSIC PIZZA, I AM SAYING THIS NOW SO THE 'PIZZA PURISTS' DON'T TELL ME OFF!

YOU WILL NEED:

6 eggs
1 bag baby spinach, washed and dried as well as possible
Mozzarella balls, for tearing

THIS RECIPE MAKES ABOUT 3 GOOD SIZED PIZZA BASES:

500g flour (plain works but bread flour is better)
300ml water at blood temperature (shouldn't be hotter or colder than your finger)
10g fresh yeast or 5g dried yeast
10g salt
2 tablespoons of olive oil
For the tomato sauce; this keeps well in the fridge for at least a week!
500ml sieved tomatoes or passata
A good pinch of dried oregano
A bunch of fresh basil, leaves removed and stalks chopped
1 clove garlic, peeled and sliced as thinly as you can
Salt and pepper
A splash of vegetable oil

METHOD:

Warm the oil in a saucepan, so that it gently sizzles, for 3 to 4 minutes. Pour in the sieved tomatoes, oregano and chopped basil stalks. Increase the heat and reduce the tomato sauce by half, it should be nice and thick. Taste, then add salt and pepper. Remove from the heat and chill until needed for your pizza base. Find the right bowl to make your dough in, or use an electric mixer bowl. It needs to be big enough to incorporate all the ingredients. Combine the yeast with the warm water in the bowl, let the yeast dissolve. To this add 50g of plain flour. Set the bowl aside in a warm place. After 20 to 30 minutes the yeast should have formed a sponge. Add flour, salt and olive oil to the bowl.

You can now place the mixture in the bowl of a food processor fitted with a dough hook. Alternatively roll up your sleeves and knead it by hand for 10 to 15 minutes on a lightly oiled work surface. Lightly grease the bowl with olive oil and return the dough to it. Cover with a damp tea towel and allow the dough to rise for 2 hours. Knock the dough back and allow to rise for a further half hour. Divide the dough into 2, 3 or 4 individual balls depending on how many pizzas you wish to make. Roll the pizza out, or if you're feeling brave, give hand stretching a go on a floured work surface to a thickness of 3 or 4 mm. Transfer to a baking tray and top with tomato sauce, spinach, mozzarella. Then, just as you push the shelf into the oven, crack a couple of eggs on top. Bake for 12 minutes or until your eggs are cooked the way you like, I like mine runny to dip my pizza crusts in.

EAT THIS DISH AND YOU WILL GAIN THESE BENEFITS:

Full of great brain food and helps concentration levels, keeps moods under control, feel fuller for longer.

The best time to eat this dish: A treat meal after an exam when you still have revision to complete.

Reason: Eggs are brilliant for keeping you fuller for longer and maintaining your energy levels. They are a great brain food and when coupled with spinach and tomatoes it is jam packed with anti-oxidants and an array of vitamins and minerals. This recipe will restore your energy and provide you with Omega 3s to support your brain function.

Drizzle veg with olive oil and sprinkle with salt, pepper and oregano. Mix well to coat the veg. Bake in the oven until the vegetables are very soft, about 45 to 55 minutes.

Meanwhile, during the last 10 minutes of cooking the veg, cook the Penne (pasta) in boiling salted water according to the timing on the packet, usually about 8 to 10 minutes, then drain in a sieve or colander.

Remove the veg from the oven. In the baking dish, toss the veg with the hot pasta. Now tear up the mozzarella balls and fold into the pasta so it becomes all stringy and soft. Season to taste with salt and pepper, then serve straightaway with a big green salad.

CHILLI CON CARNE, JEWELLED WHOLE GRAIN RICE, WHIPPED YOGURT. FEEDS 4 HUNGRY PEOPLE AND FREEZES WELL!

FOR THE RICE:

175g mixed wild rice, rinsed well
2 tablespoons of vegetable oil
1 carrot, peeled and finely grated
1 raw beetroot, peeled and finely grated (wear gloves!)
2 spring onions, washed and finely sliced into rings, for garnish
1 bay leaf
½ teaspoon cumin seeds
1 teaspoon thyme leaves, picked
350ml chicken or vegetable stock, if using a cube taste for saltiness!
A good pinch of sea salt and pepper

METHOD:

In a large saucepan, heat the oil over a medium heat, gently fry the cumin, onion, bay leaf and thyme for about 5 to 6 minutes, then add the rice.
Cover with the stock and cook for 10 to 12 minutes over a high heat, removing from the heat and stirring in the carrot, beetroot and spring onions.

PLUS 125ML OF GREEK YOGHURT

FOR THE CHILLI:

3 teaspoons of vegetable oil
1kg diced stewing beef, chuck steak etc..
2 white onions, thinly sliced
3 cloves of garlic, peeled and chopped
1 teaspoon cumin seeds, toasted
1 tablespoon of dried oregano
1 tablespoon soft brown sugar
2 red medium chillies, deseeded and roughly chopped
1 teaspoon chilli powder, or to taste
2 green chillies, sliced for garnish
400g tinned kidney beans, drained and rinsed
300g tin chopped tomatoes
300ml of good beef stock

METHOD:

Heat a casserole dish big enough for all the ingredients over a medium heat. Add the vegetable oil, garlic, cumin, chilli powder, onions and chillis. Cook until the onions are golden, be careful not to burn them. Add the diced beef and brown on all sides *TIP (add the beef in small batches, it stops the meat steaming and going grey). Once the beef is nicely browned, add the stock, tomatoes, sugar and dried oregano, reduce the heat to a simmer (little bubbles) and cook for 1 hour with the lid on. After 1 hour remove the lid, add the kidney beans and cook for a further 30 minutes until the beef is tender and the sauce has thickened.

TO SERVE: Top the jewelled rice with the chilli and a dollop of whipped yoghurt. Lovely!

1/2 tin chopped tomatoes
1 teaspoon turmeric

GINGER AND CORIANDER CHICKEN, LENTIL DHAL, FLATBREADS. FEEDS 4 AS AN ALTERNATIVE TO THE TAKE AWAY.

FLATBREADS:

150g plain flour
15g yeast
75ml warm water
1 teaspoon toasted fennel seeds
2 tablespoons olive oil

METHOD:

In a food processor, add the flour, oil, yeast and water, and then pulse until it forms dough. Put the dough in a bowl and add the cooled fennel seeds, quickly knead them in, cover the bowl with cling film and leave somewhere warm until the dough doubles in size. When it has doubled in size, place a frying pan over a medium heat, tip out the dough and pinch off golf ball sized pieces; roll them in your hands then roll flat with a rolling pin. Place them in the pan over a medium heat, a griddle pan is best, and gently cook, the thinner you roll them, the faster they cook. Once browned on one side, flip them over and finish cooking.

FOR THE CHICKEN:

4 skinless chicken breasts or thighs
25g fresh grated ginger
1 bunch of coriander, leaves picked and stalks chopped, keep the leaves for decoration, use the stalks for this bit!
30 ml of vegetable oil
A good pinch of sea salt and pepper to season

METHOD:

Mix all the ingredients, including the chicken, in a bowl and leave to soak for 20 minutes. To cook the chicken, heat a frying or griddle pan and brown the chicken on all sides, before reducing to a medium heat and continuing to cook for 15 to 18 minutes, make sure chicken is thoroughly cooked.

TO SERVE: Place the sliced chicken onto a warmed plate, dhal on the side, garnish with the coriander leaves, maybe a flatbread or two.

1 red pepper, roughly chopped
1 yellow pepper, roughly chopped
2 courgettes, sliced lengthways, about 3mm thick
½ bunch parsley, roughly chopped
3 tablespoons of olive oil

METHOD:

Mix the olive oil, dried herbs and tomato puree together and then rub all over the chicken and place in the fridge for 4 to 6 hours. Brown the chicken in a frying pan, or pan large enough to take all the ingredients, with a little olive oil, once well browned remove and keep warm. Add the onion and cook over a medium heat for 4 to 5 minutes until golden, then add the garlic, bay leaf and peppers. Cook the peppers for 5 to 6 minutes until coloured, pour in the tomatoes and stock,

replace the chicken, cover and cook over a medium heat for 18 to 20 minutes for breasts and 35 to 40 minutes for thighs. For a thicker sauce remove the lid half way through the cooking time. Before serving, remove the bay leaf, squeeze in half the lemon juice and stir in the chopped parsley. Using a ridged griddle pan, pass the courgette through some olive oil and griddle the courgette over a high heat until those signature bar marks are achieved, toss in a bowl with sea salt, parsley, lemon juice and cracked black pepper to make the best warm salad to go with this dish.

TURKEY PUTTANESCA

TURKEY PUTTANESCA. SERVES 4.

METHOD:

Bring a large pan of salted water to the boil (big bubbles) and turn down to a simmer (little bubbles). Peel and finely chop the onion, as small as possible. Peel and chop the garlic in the same way. In a large enough saucepan to take all the ingredients (including the pasta) add the vegetable oil and warm over a medium heat. Add the onions and cook for 5 to 6 minutes until just turning golden, then add the garlic and cook for 3 to 4 minutes more. Add the turkey and cook until browned. Add the tomato puree and cook until the puree darkens, but is not black. Add the chopped tomatoes, chicken stock and dried herbs. Stir well and turn the heat down to a simmer (little bubbles) and cook for 20 to 25 minutes. (The longer you cook, the thicker your sauce.)

Once the sauce is thick enough, remove from the heat. It's time to cook the pasta; turn up the heat under the simmering pan of boiling water, once boiling (big bubbles) add the pasta and cook for the length of time on the packet, usually 7 to 9 minutes. Drain the pasta in a colander (bowl with big holes) or sieve (meshy one) then toss the pasta in the sauce, so it all gets mixed together.

TO SERVE: In one big bowl, so everybody can help themselves, maybe a nice green salad on the side.

400g turkey breast strips or turkey mince
2 tablespoons tomato puree

250ml chicken stock
500g Pappardelle pasta
1 large white onion
